School Year 2017-2018

July 1, 2017

Dear Parent/Guardians:

This letter is to inform you that the Anaheim Union High School District will be installing video cameras in its fleet of school buses. The video cameras can improve safety for students, employees, and personal property. They will also deter vandalism inside the buses.

We are also pleased to announce we will soon be implementing bus passes for each student that is a bus rider. We will begin with one school at a time until all schools with student transportation are implemented. More information will be available prior to your child's school beginning use of bus pass system.

Sincerely yours,

Matthew Thomas
Director of Transportation
