The District requires from prospective bidders answers to questions contained in a standard form prequalification questionnaire and financial statement which includes the following documents:

1. a questionnaire regarding background, experience, financial ability and references in performing public works projects; and
2. a certificate of accountant

These documents will be the basis of rating firms with respect to the size and scope of projects upon which each bidder is qualified to bid. All questions must be answered. If a question is not applicable, then indicate a response of "N/A". "You" or "Yours" as used

herein refers to the prospective bidder's firm and any of its owners, officers and/or principals, including the Responsible Managing Officer/Responsible Managing Employee.

If an explanation and/or additional sheets are required for any of the responses, please provide on attached additional sheets of paper signed by the owner, officer and/or principal. Any false statement will result in the immediate disqualification from bidding on the Project.

The prospective bidder shall have a duly authorized owner, officer or principal complete the questionnaire and the financial statement who shall verify the truth of the information provided.

The certificate of an accountant licensed by the State of California will also be required. The accountant may submit a certificate in his/her own words provided it does not include qualifications so extensive as to nullify the value of the statement or its usefulness to the District. Note: A compilation is not acceptable.

The Certificate of Accountant shall not be made by any individual who is in the regular employ of a prospective bidder submitting the statement, nor by any individual who has more than a ten percent financial interest in the prospective bidder's business.

II. SUBMISSION OF COMPLETED STATEMENTS

A completed prequalification questionnaire and financial statement and supporting documents must be submitted by **January 14, 2019 at 4:00 pm for General Contractors and January 25, 2019 for MEP Subcontractors** which is prior to the date fixed for the receipt of sealed bids.

Responses to the questionnaire and the financial statement are not public records and are not open to public inspection.

III. NOTIFICATION OF PREQUALIFICATION RESULTS

Prospective bidders will be notified by the telephone and/or by email or regular mail of their prequalification rating within five (5) calendar days of the submission of their completed prequalification questionnaire and financial statement and supporting documents. Ratings of individual prospective bidders will only be disclosed upon written request of that bidder.

In the event that the prospective bidder is unable to obtain a bond in the time and form prescribed by the District, the prospective bidder shall be suspended from the prequalified bidder's list and not be allowed to submit a bid on the Project until proof of bondability is provided.

Where a timely and completed Prequalification Application results in a rating below that necessary to prequalify, an appeal can be made. An appeal is begun by the Contractor delivering notice to the Director, Purchasing and Central Services, of its appeal of the decision with respect to its prequalification rating, no later than five (5) days after being notified of the prequalification results and at least five (5) days prior to the closing time for the receipt of bids for the Project. The written appeal shall set forth in detail all grounds for the appeal, including without limitation all facts, supporting documentation, legal authorities and argument in support of the grounds for the appeal. Any matters not set forth in the written appeal shall be deemed waived. All factual contentions must be supported by competent, admissible and credible evidence.

Unless the Contractor submits a timely appeal, the Contractor waives any and all rights to challenge the decision of the District, whether by administrative process, judicial process or any other legal process or proceeding.

If the Contractor gives the required notice of appeal and requests a hearing, the hearing shall be conducted so that it is concluded no later than three days after the District's receipt of the notice of appeal. The hearing shall be an informal process conducted by a panel to whom the District has delegated responsibility to hear such appeals ("Appeals Panel"). At or prior to the hearing, the Contractor will be advised of the basis for the District's prequalification determination. The Contractor will be given the opportunity to present information and present reasons in opposition to the rating. Within one working day after the conclusion of the hearing, the Appeals Panel will render its decision.
