## CAHSEE Update

To the Class of 2015:

Based on the recent passing of Senate Bill 725, if you completed your required coursework, yet still needed to meet the CAHSEE requirement in one or more subjects, you qualify for a high school diploma.

Please come to the Anaheim Union High School District Office at 501 N. Crescent Way, Anaheim, CA 92801, to request a transcript review or call the Assessment Department at 714-999-2169.

## CAHSEE Information Effective January 1, 2016

Senate Bill (SB) 172 suspends the California High School Exit Exam (CAHSEE) as a condition of receiving a diploma for students in the graduating classes of 2016, 2017, and 2018. The law also requires school districts to grant a diploma to any student who completed grade twelve in the 2003-04 school year or later, if the student has met all applicable graduation requirements other than passing the CAHSEE.

Please contact District Registrar in the Transcript Office, Stacy Musgrave, at 714-999-3586, if you believe you may qualify for a high school diploma. You may contact us at any time, although diplomas cannot be awarded prior to January 1, 2016.
