The State of California lists six valid reasons for students to miss school. Education Code Title V, Section 420 provides that when verified the following absences will be excused:

1. Illness
2. quarantine by health officer
3. medical, dental or optometric appointments
4. attending funeral services of an immediate family member
5. religious holiday
6. school field trip or activity

- Students are allowed to make up missed work if their absence is based on a valid reason. Students who miss for other reasons will not be allowed to make up or get credit for missed work.
- Absences must be verified through a note or a phone call from the parent/guardian, or a doctor's note within 2 days.
- Illnesses up to three days may be verified by the parent. Illnesses longer than three days or that are chronic and cause the student to miss a few days each week or month will require a doctor’s note.
- Students who accumulate 15 unexcused absences in a class, may earn a failing course grade for that semester. Teachers’ individual policies about making up work after absences must be verified through a note or a phone call from the parent/guardian, or a doctor's note within 2 days. Illnesses up to three days may be verified by the parent.
- A computerized “home caller” will contact the home by phone informing the parent of any unexcused absences accrued by their child during that day.

MCKINNEY-VENTO HOMELESS EDUCATION ACT

If your family is in a temporary or inadequate living situation due to a loss of housing, your child might be eligible for certain educational rights and services under the McKinney-Vento Homeless Education Act.

Eligibility for McKinney-Vento Services If your family lives

- in a shelter,
- in a motel or campground due to the lack of an alternative adequate accommodation,
- in a car, park, abandoned building, or bus or train station, or
- doubled-up with other people due to loss of housing or economic hardship

If any of the above applies, then your child might be able to receive help through a federal law called the McKinney-Vento act.

Your McKinney-Vento eligible children have the right to

- receive a free, appropriate public education.
- enroll in school immediately, even if lacking documents normally required for enrollment.
- enroll in school and attend classes while the school gathers needed documents.
- enroll in the local school; or continue attending the school of origin (the school they attended when permanently housed or the school in which they were last enrolled), if that is your preference.
- receive transportation to and from the school of origin, if you request this.
- receive educational services comparable to those provided to other students, according to your children’s needs.

* If the school district believes that the school you select is not in the best interest of your children, then the district must provide you with a written explanation of its position and inform you of your right to appeal its decision.

TRUANCIES

Student absences are classified as truancy when absences are not verified by parents/guardians within 2 days of the absence. Habitual truants will be referred the School Attendance Review Board for consideration by the District Attorney.

TARDINESS – START ON TIME

The staff of Magnolia High School is proud to affirm our commitment to insuring that class time is used effectively and efficiently. Crucial in that commitment is the need for classes to start on time. Every student’s timely arrival in class helps us to maximize their learning without the disruptions caused by tardiness.

MINIMUM DAY STUDENTS

Students with a minimum day must have a minimum day sticker on their ID card. This sticker is their pass off campus early and allows them to purchase items from the Student Accounts Office prior to the end of the school day.

CLOSED CAMPUS

The Anaheim Union High School District maintains a closed campus policy. Students may not leave the campus during the school day unless permission to leave is granted by an administrator. All students must sign out through the attendance office before leaving campus prior to the end of the school day. Students will be given an out of school permit. Students who leave campus for any reason without signing out through the attendance office will be considered truant and will be assigned an After School Work Study.

Earned Income Tax Credit Information Act Communication

Below is the specific language that LEAs must include when notifying households about the EITC. This language is in RTC Section 19854:

Based on your annual earnings, you may be eligible to receive the Earned Income Tax Credit from the Federal Government (Federal EITC). The Federal EITC is a refundable federal income tax credit for low-income working individuals and families. The Federal EITC has no effect on certain welfare benefits. In most cases, Federal EITC payments will not be used to determine eligibility for Medicaid, Supplemental Security Income, food stamps, low-income housing, or most Temporary Assistance For Needy Families payments. Even if you do not owe federal taxes, you must file a federal tax return to receive the Federal EITC. Be sure to fill out the Federal EITC form in the Federal Income Tax Return Booklet. For information regarding your eligibility to receive the Federal EITC, including information on how to obtain the Internal Revenue Service (IRS) Notice 797 or any other necessary forms and instructions, contact the IRS by calling 1-800-829-3676 or through its website at www.irs.gov.

You may also be eligible to receive the California Earned Income Tax Credit (California EITC) starting with the calendar year 2015 tax year. The California EITC is a refundable state income tax credit for low-income working individuals and families. The California EITC is treated in the same manner as the Federal EITC and generally will not be used to determine eligibility for welfare benefits under California law. To claim the California EITC, even if you do not owe California taxes, you must file a California income tax return and complete and attach the California EITC Form (FTB 3514). For information on the availability of the credit eligibility requirements and how to obtain the necessary California forms and get help filing, contact the Franchise Tax Board at 1-800-852-5711 or through its website at www.ftb.ca.gov.

There are many options for notifying households about the EITC which may include in–person, electronic, mail, flyers, or by phone.

For additional information, refer to the IRS EITC web page at https://www.irs.gov/credits-deductions/individuals/earned-income-tax-credit or the California EITC Web page at https://www.ftb.ca.gov/individuals/faq/net/900.shtml.
