Dress Code Policy

THE PURPOSE

The purpose of the Anaheim High School Dress code is to promote an academically focused environment where every student can study in an atmosphere that is free from harassment and intimidation. The dress code is based on Anaheim Union High School District policy and reflects the standards and values of the Anaheim community. The dress code policy exists to improve safety for all students. It is designed to prevent distraction in the classroom and help students focus on instruction rather than fashion. Although students can learn while wearing a wide variety of styles in clothing, certain clothing and the way certain clothes are worn can be distracting to others and incite harassment toward the wearer.

THE ANAHEIM HIGH SCHOOL DRESS CODE

While on Campus students shall be dressed and groomed in a manner which reflects good taste and decency, and will not detract from or interfere with the educational process, environment, instructional program, general moral or image of the school.

CLOTHES MUST FIT. Clothes cannot be excessively tight or baggy. Pants must fit at the waist. If pants will not stay up without a belt, they will be considered oversized. Shoes MUST be worn at all times.

*The length of SHIRT TAILS and T-SHIRTS MUST NOT EXTEND BELOW THE WRISTS*

THE FOLLOWING ARE NOT ACCEPTABLE ON CAMPUS:

- Tube tops, spaghetti, and string straps, and clothes that expose the mid-section when standing, sitting or reaching or shorts or skirts that expose the buttocks. (SKIN AT THE WAIST MAY NOT BE EXPOSED AT ANY TIME)
- Low cut apparel that have a plunging neckline and/or reveal an excessive area of the chest.
- Under garments, underwear and ANY other clothing worn UNDER pants, dresses, skirts, or shorts must be concealed at ALL TIMES.
- Dress, grooming or accessories which-
  - Are unsafe, dangerous, or a health hazard
  - Display offensive or obscene symbols, signs, slogans or words, degrading any cultural, religious or ethnic values
  - Contain language or symbols oriented toward, sex, drugs, alcohol, tobacco, violence or weapons
  - Displays or contains, gang, tagger, crew and/or clique symbols, colors, slogans, signs. Sports Jerseys are not permitted.
- Slippers
- Pajamas
- Frayed/cut/torn clothing or with holes that are deemed inappropriate by admin
- Belt buckles with initials
- Hats, caps, bandanas, hairnets, scarves, headbands, or any other head covering, including sweatshirt hoods. (Anaheim High School hats and beanies may be worn outside, but never in the classroom).
- Wallet chains, spiked bracelets, collars, excessive metal on belts.
- Gloves
- Socks pulled up to the knees with shorts worn below the knee
- Sunglasses in the classroom
- Any other items deemed dangerous, distracting or inappropriate

BECAUSE FASHIONS, TRENDS, STYLES AND FADS CHANGE VERY RAPIDLY, THE PRINCIPAL RESERVES THE RIGHT TO ADJUST THIS DRESS CODE TO MEET THE NEEDS OF ADVERSE CHANGES IN THE WAY STUDENTS DRESS. THE DRESS CODE WILL BE FULLY AND FAIRLY ENFORCED

The consequence for violating the dress code will be:

- Change into appropriate clothing provided by the school
- Parent contact and student sent home to change

Repeat offender will receive disciplinary consequences. For more explanation and a full list of school policies, please refer to the school website.
CLASS CHANGE POLICY

Our goal at Anaheim High School is to provide a rich academic environment that meets the needs of all students. We focus on preparing our students for the challenges of life after high school, such as higher education or entering the work force. This means preparing students to face adversity and to equip them with the skills to adjust to a variety of professors or employers. High school students gain much from textbooks, lectures, projects and assignments. However, the educational process includes far more than that. Students also gain valuable insight and maturity from interacting with different people and adjusting to a variety of teachers.

Anaheim students are placed in courses based on student requests, standardized test scores and teacher recommendations. Teachers, students, parents and counselors work together to create a student’s schedule. Schedule changes will only be made for the following reasons: to balance classes so that overcrowding does not occur, to correct any scheduling error, or on rare occasions as a result of a disciplinary situation. All schedule changes will be determined by the counseling staff and approved by the administration.

Schedule changes will NOT be made for the following reasons:

- Student does not like the teacher
- Parent does not like the teacher
- Teacher is “too hard”
- Teacher gives too much work
- Student is failing the class
- Class is perceived by the student to be too difficult

Personality conflicts will not be justification to change a class. All conflicts need to be resolved in a mature, professional manner. Students must take the responsibility to meet with the teacher and work through the problem or seek additional help if the nature of the problem is that the teacher is “too hard,” “gives too much work,” or if the student is in jeopardy of failing.

Since class changes will not be made for the reasons listed above, students, with their parents, should assess their abilities and goals and request courses accordingly. If there is any question about the difficulty level of a particular course, students should consult with teachers, counselors, and parent prior to enrolling in the class. All classes, regardless of level, will address the California Content Standards and will provide high academic standards. However, certain classes will have enhanced academic rigor and greater expectations that students must be prepared to face. Anaheim High School provides various services for students struggling in particular courses. These services can be accessed through teachers, counselors, and administrators.

ACADEMIC SUCCESS AND PARENT RESPONSIBILITIES

Anaheim High School is a standards-based, academically-focused school. It is our goal to see that every student that graduates from Anaheim High be successful in the college or career path of his or her choice. In order for our staff to achieve this goal, we must work together with every parent. We only have your students for 6 hours per day. The rest of the time they are with you, the parent or guardian.

Just as you have expectations of the teachers and school, the school also has an expectation of every parent.

I understand that as a parent it is my responsibility to:

- Create a quiet place for my child to study
- Monitor the completion of homework assignments and projects
- Communicate with teachers as needed
- Support the school, its policies, and its effort to maintain a safe, academic environment where all teachers can teach and every student has an opportunity to learn
- Call the school if I have any questions

I understand that as a parent it is my responsibility to ensure that my child:

- Arrives on time to each class
- Is prepared for class each day
- Attends school regularly
- Completes all assignments on time
- Is respectful
- Does not cause or contribute to classroom disruptions
- Follows the school dress code
- Follows all school rules

We realize that with busy schedules it can be difficult monitoring your student’s progress. We will work to keep you informed. It is our expectation that with teamwork between parent and school, together, we can ensure that all students learn and meet the goals of attaining the best high school education possible.

INTERNET USE

Students must have a valid student I.D. in order to access the internet on school grounds.
Earned Income Tax Credit Act

**Earned Income Tax Credit Act (EITC) INFORMATION ACT**

Based on your annual earnings, you may be eligible to receive the Earned Income Tax Credit from the Federal Government (Federal EITC). The Federal EITC is a refundable federal income tax credit for low-income working individuals and families. The Federal EITC has no effect on certain welfare benefits. In most cases, Federal EITC payments will not be used to determine eligibility for Medicaid, Supplemental Security Income, food stamps, low-income housing, or most Temporary Assistance For Needy Families payments. Even if you do not owe federal taxes, you must file a federal tax return to receive the Federal EITC. Be sure to fill out the Federal EITC form in the Federal Income Tax Return Booklet. For information regarding your eligibility to receive the Federal EITC, including information on how to obtain the Internal Revenue Service (IRS) Notice 797 or any other necessary forms and instructions, contact the IRS by calling 1-800-829-3676 or through its website at [www.irs.gov](http://www.irs.gov).

You may also be eligible to receive the California Earned Income Tax Credit (California EITC) starting with the calendar year 2015 tax year. The California EITC is a refundable state income tax credit for low-income working individuals and families. The California EITC is treated in the same manner as the Federal EITC and generally will not be used to determine eligibility for welfare benefits under California law. To claim the California EITC, even if you do not owe California taxes, you must file a California income tax return and complete and attach the California EITC Form (FTB 3514). For information on the availability of the credit eligibility requirements and how to obtain the necessary California forms and get help filing, contact the Franchise Tax Board at 1-800-852-5711 or through its website at [www.ftb.ca.gov](http://www.ftb.ca.gov).

Attendance & Tardy Policy

**ABSENCES**

Section 48205 of the Californian Education Code lists eight valid reasons for students to miss school. The reasons are listed under the attendance policy pages.

State Education code defines a habitual truant as any student who misses more than three days (unexcused/unverified). Students who are habitual truants WILL BE referred to the School Attendance Review Board for consideration by the District Attorney.

Illnesses up to three days may be verified by the parent.

Illnesses of longer duration or that are chronic and cause the student to miss school frequently will require a doctor’s note.

**PROCEDURE FOLLOWING AN ABSENCE:**

Student must bring in a note from the parent/guardian or doctor within 24 hours to the attendance office or the parent must call 714-999-3756.

**PROCEDURE FOR LEAVING SCHOOL EARLY:**

Student brings a signed note from parent to attendance office before school and gets an early release form. An unverified absence is the same as an unexcused absence.

**TARDINESS**

TARDINESS IS UNACCEPTABLE.

Arriving on time is a critical life skill and on time, attendance is expected. AHS Tardy Policy is strictly enforced. With each tardy there are increasing consequences. Students who arrive late to school must sign in at the attendance office upon arrival and get a late pass to class.

The teacher may assign consequences for being tardy.

Teacher will contact parent when tardies are starting to affect the student’s grade.

As a reminder, AHS will continue its No Go List for special events. Students accumulate hours based on tardiness/lateness, period truancies and overall attendance percentage.
