Welcome to Loara High School, Home of the Saxons!

It is an honor to serve as your Principal and I am excited to welcome you to the 2019-20 school year. Loara High School has a long history of providing outstanding instruction and a plethora of opportunities for students to engage in their school community. At Loara, students not only gain a strong knowledge within a variety of subject areas, but they also have an opportunity to expand their skills through the programs we offer that cater to each student’s specific interests. Loara offers a multitude of programs that students can participate in including AVID, Advanced Placement classes, JROTC, and five CTE pathways. In addition to the academic programs we offer, we also have over 30 different extracurricular clubs that students can participate in.

Loara High School is also an award winning school for our Civil Democracy program. Through this program, students have the opportunity to expand their knowledge of and ability to speak to relevant topics that impact our school and community. Loara High School maintains strong educational partnerships and as a result students will have access to a variety of important college and career readiness programs through UCI, Cal State Fullerton, and Fullerton College. We currently have both Upward Bound and Educational Talent Search at our campus and this upcoming school year will be welcoming our new partners from Gear Up.

As we begin a new school year, I encourage students and parents to become get involved and get connected with the Saxon family.

Respectfully,

Katrina Callaway,
Principal

### IMPORTANT FACTS ABOUT ATTENDANCE

Student success and academic achievement is a direct result of the students being on time and in class everyday. The California Education Code and Penal Code clearly define the legal issues and policies related to student attendance. Attendance at a Saturday Academy is required to remove a full day absence (excused or unexcused). The following provides you with the proper process for reporting absences and having students released early.

- **THE ATTENDANCE OFFICE PHONE # IS 714-999-3712**
- **Parent or designated adult must show ID to release a student. No phone calls for early release will be permitted.**
- **ALL absences need to be verified by a parent or guardian phone call within 24 hours of the student’s absence**
- **If calls need to be made before or after school hours, VOICE MAIL IS AVAILABLE in English and Spanish. Please leave your name, the student’s name, the date and the reason for the absence**

For Safety purposes, the only lot that may be used for student drop off and pick up is the large student lot next to the tennis courts. The smaller lots by our attendance office and the one on the far west side of the campus are for staff only. Those gates will be locked daily. Visitors who have school business with or for their students may park in the circle drive area in front of the main office. All visitors must sign in at the Main Office.

The student lot will be locked after the start of school so please make sure your students who drive arrive on time for their first class.

- **Parent or guardian must sign the student in when they are arriving late, or being released early**

Working together we can all ensure that our students have a safe, academically successful and positive school experience.

### TARDIES

At Loara, we stress to all students that teaching and class work is “Bell to Bell.” When students arrive late, they miss valuable information as well as cause a disruption by walking in after the teacher has begun. Tardies are noted on their attendance record and become a part of their permanent cum folder. They also are an essential part of our progressive discipline plan. Please make sure that your student leaves home with plenty of time to arrive at class on time. Adjustments may need to be made with morning patterns to allow for traffic, road construction and other unforeseen delays. School always starts at the same time - please make arrangements to be there at that time.

### HOMEWORK AND STUDENT SUCCESS

Nightly homework is a valuable part of student learning and achievement. By practicing concepts they have learned in class, students are able to reinforce ideas and methods while becoming stronger in their subject matter skills.

Homework has a direct impact on the student’s grades. Point values and credits for the class are woven into the successful completion of each homework assignment. When homework is not completed, important concepts are not mastered, causing a slow down in both the student learning and the teacher being able to move forward through the lessons with the class. As we all work towards student academic success, please remember to not only ask your student about the homework, but ask to see it!

Each teacher is required to have and distribute a Curriculum Letter and Syllabus to the students. Please keep those letters from your student’s teachers so you can refer back to the homework and class policies. They clearly define their policy turning in late work, formats for the homework, and other valuable information on class practices.

Thank you for working with us and supporting our efforts.

PROGRESSIVE DISCIPLINE POLICY

Loara High School follows progressive steps in assigning disciplinary consequences for rule violations. Students are expected to follow all rules and policies outlined in the California State Education Code, AUHSD Board Polices, and the Loara High School Policy Pages.

1. Detention: A detention may be assigned by staff members for disobeying the rules at Loara High School. Detentions are assigned for 30 or 60 minutes (after school).
2. Intervention/Probation Contract: As determined by School Administrators, students may be placed on an Intervention/Probation Contract.
3. Off-Campus Suspension: The most severe form of disciplinary action is Off-Campus Suspension. This can result from all Class I, II, or III Infractions or from habitual insubordination and defiance. The period of Off-Campus Suspension can vary between one and five days, depending on the severity of the incident.

AUHSD Student Dress Code (Ed. Code §35183 AND §35183.5)

The Board of Trustees recognizes its obligation to provide an educational environment which will prepare students for responsibilities necessary for a successful and productive adult life. While on campus, or at any school sponsored event, students and guests shall be dressed and groomed in a manner which reflects good taste and decency, and will not detract from or interfere with the educational environment, instructional program, general morale, or image of the school. All dress must be modest, neat, clean, and consistent with legal provisions. Shoes must be worn at all times. Any gang related apparel, if worn or displayed on a school campus may be determined to threaten the health/safety of the school environment.

The following are not allowed on campus or at any school sponsored event:

1. Dress, grooming, or accessories which;
   a. Are considered unsafe, dangerous, or a health hazard;
   b. Contain offensive or obscene symbols, signs, or slogans degrading any cultural, religions, or ethnic values;
   c. Contain language or symbols oriented toward sex, drugs, violence, alcohol, or tobacco;
   d. Contain gang, tagger, crew, and/or clique symbols or display gang colors or clothing which denotes gang, tagger, crew, and/or clique affiliation.
2. Shoulder-less or tube/halter tops, clothes exposing the midsection, shorts that expose the buttocks or excessively baggy or tight fitting clothing.
3. Baseball caps are NOT allowed with the exception of Loara hats. Loara baseball hats may be worn outdoors, but must be removed upon entering a classroom.

Consistent with the general philosophy of this district, responsibility for the proper attire of all students attending classes in the Anaheim Union High School District rests with the parents/guardians. Violations of this code will be dealt with pursuant to the provisions of §48900 through 48925 of the California Education Code. Specifically, failure to adhere to the provisions of this dress and grooming code will be considered as a violation of §48900(k) which provides for the suspension or expulsion of pupils if they have “disrupted school activities or otherwise defied the valid authority of supervisors, teachers, administrators, school officials, or other school personnel engaged in the performance of their duties.”

Students who are in violation of the dress code policy may have their item(s) confiscated by staff, turned in to the office, and a parent/guardian will have to retrieve the item(s). We realize that having to pick up a student’s apparel may be inconvenient and therefore, we recommend you discuss this policy with your student in order to avoid this problem.

Bikes, Skateboards, Scooters, Hoverboards

**Students are not to ride their bikes, skateboards, scooters or hoverboards on campus.** Students who ride a bicycle, skateboard, scooter or hoverboard to school must secure them in the bike rack. These items should be locked with a secure lock. Loara High School will take reasonable care in securing and supervising the bike rack during the school day, however, the school is not responsible for lost, stolen or damaged property. Vandalism and theft should be reported to the office and a police report made. Items left after hours are not the responsibility of the school.

BULLYING/HARASSMENT

Loara High School is committed to promoting healthy relationships and a safe environment. To this end acts of violence,
intimidation, or harassment will not be tolerated on district property or at school activities. Students are not to encourage, plan, or participate in any form of hazing or initiation activities.

Bullying means any severe or pervasive physical or verbal conduct that:
   a) Places a student in fear of harm to him/herself or his/her property;
   b) Causes a student to experience a substantially detrimental effect on his/her physical or mental health;
   c) Causes a student to experience substantial interference with his/her academic performance;
   d) Causes a student to experience substantial interference with his/her ability to participate in or benefit from the services, activities, or privileges provided by the school.

Examples of bullying/harassment include:
- Verbal, physical or written abuse or aggression;
- Implied or explicit threats to cause harm to another student or to damage personal property;
- Demeaning remarks, jokes, name-calling, teasing, or other actions
- Unwelcome sexual advances, requests for sexual favors, or other conduct of a sexual nature;
- Unwanted negative remarks about a person’s ethnicity, race, religion, gender, or sexual orientation;
- Social isolation or manipulation;
- Use of electronics, including internet and cellphones, to intimidate or threaten another student;
- Posting harassing messages, direct threats, social cruelty or other harmful texts, sounds, or images on the internet, including social networking sites;
- Posting or sharing false or defamatory information;
- Posting private information about another person or sharing photographs without his/her permission;
- Spreading hurtful or demeaning materials created by another person (e.g. by forwarding offensive e-mails or text messages);
- Participating in hazing activities that subject a person to physical or mental brutality or humiliation associated with participation or membership on a team or organization;
- Retaliating against someone for complaining that they have been bullied or harassed.

The school will promptly and reasonably investigate allegations of bullying and harassment. Students who feel they are victims of harassment or who have witnessed others being harassed should report this immediately to administration or other school personnel. The District believes every child is entitled to a safe school environment free from discrimination and bullying. Consistent with state and federal law, the District prohibits bullying and discrimination and provides a timely and effective complaint procedure for pupils who believe they have been the victim of bullying or discrimination. The District also is mindful that, at times, behavior that is rude or insensitive may nevertheless be constitutionally protected in the context of a public school environment. Such conduct can best be combatted and prevented with effective strategies that involve pupils, parents and school employees in collaborative efforts to teach tolerance and ensure equal educational opportunities for all.

The Board prohibits, at any district school or school activity, unlawful discrimination, including discriminatory harassment, intimidation, and bullying of any student based on the student's actual or perceived race, color, ancestry, national origin, nationality, ethnicity, ethnic group identification, age, religion, marital or parental status, physical or mental disability, sex, sexual orientation, gender, gender identity, or gender expression or association with a person or group with one or more of these actual or perceived characteristics.

This policy applies to all of the District’s students. This policy applies to all acts related to school activity or school attendance occurring within a school under the jurisdiction of the superintendent of the Anaheim Union High School District. (Educ. Code § 234.1 (a).)
