Principal’s Welcome

As the proud Principal of Orangeview Junior High School, I am excited to welcome all of our Panthers to the 2019-20 school year.

Orangeview will challenge our students both academically and socially through UNLIMITED opportunities on campus. We offer a variety of honors and advanced programs such as AVID, an award-winning VAPA program, and are currently the only junior high school PUENTE program in Southern California. Our intramural sports teams are competitive and award winning.

When our students finish their two years here at Orangeview, our amazing staff has insured that students have been equipped with the skills associated with the "5 Cs". Students are expected to demonstrate and practice these skills by Collaborating and Communicating during instruction, thinking Critical and being Creative, and promoting Character and Compassion both on and off campus.

This school year, I encourage both students and parents to become involved and get connected with our panther family.

With PRIDE,

Chuck Hernandez, Principal
Orangeview Junior High School

Based on your annual earnings, you may be eligible to receive the Earned Income Tax Credit from the Federal Government (Federal EITC). The Federal EITC is a refundable federal income tax credit for low-income working individuals and families. The Federal EITC has no effect on certain welfare benefits. In most cases, Federal EITC payments will not be used to determine eligibility for Medicaid, Supplemental Security Income, food stamps, low-income housing, or most Temporary Assistance For Needy Families payments. Even if you do not owe federal taxes, you must file a federal tax return to receive the Federal EITC. Be sure to fill out the Federal EITC form in the Federal Income Tax Return Booklet. For information regarding your eligibility to receive the Federal EITC, including information on how to obtain the Internal Revenue Service (IRS) Notice 797 or any other necessary forms and instructions, contact the IRS by calling 1-800-829-3676 or through its Web site at [www.irs.gov](http://www.irs.gov).

You may also be eligible to receive the California Earned Income Tax Credit (California EITC) starting with the calendar year 2015 tax year. The California EITC is a refundable state income tax credit for low-income working individuals and families. The California EITC is treated in the same manner as the Federal EITC and generally will not be used to determine eligibility for welfare benefits under California law. To claim the California EITC, even if you do not owe California taxes, you must file a California income tax return and complete and attach the California EITC Form (FTB 3514). For information on the availability of the credit eligibility requirements and how to obtain the necessary California forms and get help filing, contact the Franchise Tax Board at 1-800-852-5711 or through its Web site at [www.ftb.ca.gov](http://www.ftb.ca.gov).

**FOR STUDENTS THAT WILL BE ENTERING 7TH GRADE FOR THE 2019-2020 SCHOOL YEAR**
Starting in the 2019-2020 school year, all incoming 7th graders are required to meet immunization requirements for chickenpox (varicella) as well as whooping cough (pertussis) before they can attend classes. These requirements can be met through proof of 2 doses of the chickenpox vaccine and 1 dose of the whooping cough vaccine (known as Tdap).

A Tdap booster shot administered on or after the child’s 7th birthday will meet this requirement. (Tdap, Adacel, Boostrix, DTap, or DTP are all accepted. The tetanus-diphtheria booster vaccine, Td, will not meet the requirement.)

Please refer to The Parents Guide to Immunizations Required For School Entry on the back of this page.

We want to make sure your child will be able to start school in September. We encourage you to:

If needed, get your child’s Tdap and varicella immunization as soon as possible.
A large number of students need vaccines between now and the start of school in August. Avoid the back-to-school rush and make an appointment with your child’s doctor to get the needed vaccines. Free immunization clinics for qualified families are available. Local pharmacies are also available to give the vaccinations for a fee.

Save your proof of immunization.
Be sure to keep the written proof of your child’s varicella and Tdap booster vaccines. Your child will need to provide proof of immunization in order to start school.

Submit your proof of immunization now.
We encourage you to bring in proof of your child’s vaccines to your current school before the end of this school year. We will also accept proof of immunization at 7th grade registration.

Medical exemptions may be granted by a physician; a physician’s written note is required.

If you have any questions, please contact Orangeview Junior High School or visit shotsforschool.org.
