And Many More

Become a **JustServe.org** project sponsor and connect with volunteers near you.

JustServe Guidelines

The best service opportunities are collaborative, working side-by-side with others in the community.

Humanitarian service should assist the poor and those in need.

Community service should enhance the quality of life in the community.

JustServe projects should not directly involve volunteers in fund-raising, have a political focus, or be for-profit.

**BECOMING A JUSTSERVE SPONSOR
IS
QUICK AND EASY**

Register for free on JustServe.org. There are no Fees or obligations to participate. Then you can begin submitting projects through JustServe.org for local approval, or ask how to become a JustServe project administrator for your faith, nonprofit, community, or governmental organization.

Contact your local JustServe representative or go to JustServe.org to learn more.
